### Description

Over 1,027,000 transcribed entries of Nottinghamshire parish register baptisms. They are searchable by baptismal name, father's names, mother's names, date of baptism and parish of baptism. The date may be in the form of a date range or a date plus or minus a number of years. In addition, searches may be made for places of abode, father's profession or entries in the notes attached to some records.

Check [here](#) to see if the parish you want has been transcribed.
