### Description

Over 674,000 transcribed records of burial entries in Nottinghamshire parish registers. Searchable by first name, last name, date of burial and parish of burial. The date may be either a year range or a year plus or minus a number of years. In addition, searches may be made for the abode of the buried person and for entries in the notes attached to some records.

Check [here](#) to see if the parish you want has been transcribed.

This version requires Microsoft .NET3.5 technology (installed automatically, if necessary).
