Description

An index of over 346,000 of marriage entries in the Nottinghamshire parish registers. Searchable by bride's names, groom's names, date of marriage and place of marriage. The date may be a year range or a year plus or minus a number of years. In addition searches may also be made for more information about the brides and groom such as fathers' names.

Check [here](#) to see if the parish you want has been indexed.

This version requires Microsoft .NET3.5 technology (installed automatically, if necessary).
